PROFESSIONAL SUMMARY

Diligent and accomplished UI/UX and Visual Design professional with **over 13 years** of diversified experience in Web and Mobile UI, Interactive Design, Motion Graphics, Layout Design, and 2D/3D Art across reputed IT, E-Learning, and Financial Services companies in India. Proven track record of creativity and precision — from concept visualisation and colour selection to final delivery across multi-platform environments.

Proactive Visual Designer targeting challenging assignments with well-established IT / E-Learning / Design Studio organizations, currently operating as a Freelancer.

CORE COMPETENCIES

Visual Design · UI/UX Design · Interactive Design · Motion Graphics · Video Editing
2D & 3D Design · Branding & Identity · Icon Design · Print & Layout
Adobe XD · Figma · Photoshop · Illustrator · After Effects · CorelDRAW
Flash / Animate · Sony Vegas · Sound Forge XP
HTML5 · CSS3 · JavaScript · Liferay 7 · OpenCart · Shopify

KEY STRENGTHS

- ▶ Proven ability to plan, allocate resources, and execute projects with stakeholder coordination and on-time delivery.
- ▶ Adept at managing multiple projects simultaneously while maintaining consistently high-quality design output.
- ▶ Strong team player and leader — track record of driving design initiatives and cross-functional coordination.
- ▶ Exceptional visual sensibility: colour theory, typography, composition, and user-centered design thinking.

PROFESSIONAL EXPERIENCE

ASTRIKA Infotech Pvt. Ltd. · Sion (E), Mumbai

Jan 2015 – Present

Senior Web Designer & Team Leader

- ▶ Report to Head of Content Development; lead a multidisciplinary design team across concurrent client engagements.
- ▶ Manage end-to-end design of corporate websites and mobile app UI/UX — from wireframe to launch.
- ▶ Designed GUIs, website layouts, mobile app screens, and icon sets for Reliance Capital, JSW Cement, Niyogin Finance, Infinity Mall, Raheja Foundation, and more.
- ▶ Piloted intranet UI formulation ensuring optimal space management and intuitive navigation structures.
- ▶ Directed branding, logo design, print collateral, intro animations, and e-learning training content production.

Key Clients: Reliance Capital · Reliance Home Finance · JSW Cement · Niyogin Finance · Infinity Mall · Meganet · Selfin India · Raheja Foundation · Ivory Tusk · Micekart · Petwags · Essay Living · CravX · Privezi.

Reliance Capital · Santacruz (E), Mumbai

Nov 2016 – Mar 2018

Web Designer & Liferay Theme Designer

- ▶ Specialised in Liferay 7 — portlets, web content, themes, layouts, hooks, and extensions.
- ▶ Oversaw visualisation, conceptualisation, and UI/UX design for web and mobile products.
- ▶ Designed Liferay theme systems, responsive e-mailers, and web-banner campaigns.
- ▶ Produced high-quality graphics for educational web portals and companion mobile applications.
- ▶ Created brochures, product collateral, and outdoor hoardings; developed Flash animations for Kiosk projects.

IL&FS Education Technology Services Ltd. · B.K.C., Mumbai

May 2005 – Jun 2012

Visual Design Lead & Team Leader

- ▶ Led visual design team at India's leading E-Learning provider, reporting to Head of Content Development.
- ▶ Designed interactive Flash-based e-learning modules, animations, and rich 2D/3D design assets.
- ▶ Developed web and mobile UI/UX, GUIs, icon sets, and multimedia training content at scale.
- ▶ Managed branding, logo design, print delivery, intro animations, and instructional design across all projects.

Freelance & Consulting · Mumbai
